Honor loved ones,  
Support the library!

The Friends of the Franklin Lakes Library is offering you the chance to leave your legacy for future generations on our “**Friendship Path**”. Come celebrate your achievements, honor a loved one, remember a friend, and support our library by purchasing personalized pavers in our “**Friendship Path**”. The “**Friendship Path**” campaign is designed to give you a chance to honor your past, recognize the present, and leave your imprint “etched in stone” on the future.

The new personalized pavers will be installed in a walkway that goes directly from DeKorte Drive to the entrance of the Library. It will offer patrons, who park along the road and in the lot across the street from the Municipal Building, easier access to our front entrance.

Whether you choose to purchase a standard 4” x 8” brick, a larger 8” x 8” brick, or the new grand 12” x 12” sized brick, you will have invested in a lasting tribute to the Library that will benefit it for years to come.

Take advantage of this special offer to “etch” your name into Franklin Lakes history by ordering your brick today.

## HONOR A LEGACY

- Dedicate a brick to your family
- Honor your children
- Memorialize a loved one
